Announced Audit

**AUDIT EXECUTIVE SUMMARY:**

The Kunkel Company is a dry storage and distribution facility that is approximately 11,000 square feet. The operation has 14 employees and operates year round. The facility is located in a business area and is surrounded by other buildings. There are 4 dock doors where product is received from suppliers. Allergens and ice are not handled or stored. The facility has two cold rooms, Cooler A at 45-50 degrees fahrenheit and Cooler B at 35-40 degrees fahrenheit. Each room has ceiling mounted cooling units. Products are received, inspected, coded with traceability information, stored, and then shipped to customers. All product is received in boxes on pallets and nothing is broken down. The pest control program is contracted by Adam's Pest Control. The scope of the audit included an inspection of the facility, GMP practices, and food safety documentation.
